FIREWORKS—POLITE REQUEST

It will soon be the festive season again and the New Year, like Bonfire Night, is a popular time to hold firework displays. The Parish Council would like to raise awareness about the dangers of fireworks, especially near farmyards and livestock.

Please ensure that if you are planning to light fireworks that they are ignited in an area that does not pose a risk to pedestrians, motorists, livestock or near haystacks and straw barns.

The Parish Council would like to thank you all for your kind co-operation in these matters.

We would like to wish you all a very Merry Christmas and a Happy New Year!
